Subject Chino Mines Site RUB Account

A payment of \$31,720 was received to cover the period of 5/1/01 - 11/1/01 Please send a message to Buddy designating how you want the money distributed I recently received a copy of another payment from October 2000 for \$31,720 to cover the period of 11/1/00 - 5/1/01 It looks like from the balance listed on the April report that this payment was never applied to the RUB account Please designate how you want both of these payments to be distributed

Thanks
